

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
Biloxi Police Dept.
Biloxi, MS

The **Biloxi P.D.** purchased their first Computer Voice Stress Analyzer® (CVSA®) in 1999 and discontinued the polygraph. NITV Federal Services is pleased to announce that due to the tremendous success of the CVSA at the **B.P.D.** over the past 25 years, they will be hosting another **Certified Examiners Course** to be held **May 12-14, 2026**, to train additional detectives. Over 3,000 law enforcement agencies across the U.S (289 in CA, 278 in OH, 232 in FL, and 235 in MO) now rely on the CVSA for their truth verification needs, including local, state and federal agencies and **Federal ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for Criminal and Background Investigations and the CVSA can also analyze old taped interviews to solve Cold Cases. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's**, **Illinois State Police - 2019-11**, **California Dept. of Justice - 2022-15**, **New Orleans P.D. - 1996-29**, **Atlanta P.D. - 2003-14**, **Nashville P.D. - 2004-26**, **Kansas City P.D. - 2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O. - 1999-13**, and the **US Federal Courts Div. of Probation - 2010-15**.

The CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III and two investigators trained is about 1/6 the cost of the polygraph with two students trained. The average CVSA exam time is approximately 1 hr.—the average polygraph exam time is 2-3 hrs.

With 2 peer reviewed, published studies validating the CVSA, and over 3,000 LE users, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called **“One of the most important investigative tools available today”** call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsal.com

****NITV Federal Services is the Sole Source of the Patented CVSA****

****The CVSA is Sold Only to Law Enforcement****
