

Announces a  
**CERTIFIED EXAMINERS COURSE**  
HOSTED BY THE  
**Boulder Police Dept.**  
Boulder, CO

The **Boulder P.D.** purchased their first Computer Voice Stress Analyzer® (CVSA®) in 2001 and discontinued the polygraph. NITV Federal Services is pleased to announce that due to the tremendous success of the CVSA at the **Boulder P.D.**, they will be hosting another **Certified Examiners Course** to be held **Oct. 6-8, 2026**, to train additional detectives. Over 3,000 law enforcement agencies across the U.S (289 in CA, 278 in OH, and 227 in MO, and 229 in FL) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as **Federal ICAC Task Forces**. *Since this class is expected to fill quickly, we suggest you reserve student slots early.* Visit our Website at [www.CVSA1.com](http://www.CVSA1.com)

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for Criminal and Background Investigations, and the CVSA can also analyze old, taped interviews to solve Cold Cases. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-12, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, California Dept. of Justice - 2021-21, and the US Federal Court's Div. of Probation - 2010-15**. Most agencies have simply discontinued the polygraph as they no longer find a need for the old, more expensive and less accurate technology.

The CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The cost of the CVSA III with two examiners trained is 1/6 the cost of the polygraph with two examiners trained. The average exam time for the CVSA is 1 hour. The average exam time for the polygraph is 2-3 hours.

**With 2 peer reviewed, published studies validating the accuracy of the CVSA, and over 3,000 LE users, isn't it time for your agency to acquire the very best in truth verification technology?**

If you are planning to purchase or enroll in this course or, for more information on what is called “***One of the most important investigative tools available today***”, visit CVSA1.com, call us toll-free **888-266-7263** or e-mail us at [NITVFS@cvsa1.com](mailto:NITVFS@cvsa1.com)

**NITV Federal Services is the sole source of the CVSA – The CVSA is Sold Only to Law Enforcement/Govt. Agencies**
