

Announces a  
**CERTIFIED EXAMINERS COURSE**  
HOSTED BY THE  
**Illinois State Police**

Illinois State Police Academy, Springfield, IL

NITV Federal Services is pleased to announce that due to the tremendous success of the Computer Voice Stress Analyzer® (CVSA®) at the **Illinois State Police (11 CVSA's)**, the ISP will be hosting another **Certified Examiners Course** to be held **Oct. 6-8, 2026**, to train additional detectives. There are now over **3,000** law enforcement agencies across the U.S, **287 in CA, 276 in OH, and 231 in MO** alone, that rely on the CVSA for their truth verification needs, including local, state and federal agencies and **Federal ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at **www.CVSA1.com**

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the CVSA can analyze old tape-recorded interviews to help solve Cold Cases. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-11, California Dept. of Justice – 2022-15, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, and the US Federal Courts Div. of Probation - 2010-15.** Most agencies have simply disbanded their polygraph section as they no longer find a need for the old, more expensive, and less accurate technology.

The CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is **1/6** the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately **1 hour** – the polygraph is 2-3 hours.

**With 2 peer reviewed, published studies validating the CVSA, and over 3,000 LE users, isn't it time to acquire the latest in truth verification technology?**

If you are planning to purchase or enroll in this course or, for more information on what is called **“One of the most important investigative tools available today”** call us toll-free **888-266-7263** or e-mail us at **NITVFS@cvsa1.com**
