

Announces a  
CERTIFIED EXAMINERS COURSE  
HOSTED BY THE  
**West Palm Beach P.D.**

West Palm Beach, FL

The **West Palm Beach P.D.** purchased their first Computer Voice Stress Analyzer® (CVSA®) in **1999** and due to the tremendous success of the CVSA at the **W.P.B.P.D.**, NITV Federal Services is pleased to announce that they will be hosting another **Certified Examiners Course** to be held **May 4-8, 2026**, to train additional detectives. Over **3,000** law enforcement agencies across the U.S (**285 in CA, 277 in OH, 229 in MO, and 126 in NC**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as **Federal ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our Website at **www.CVSA1.com**

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations, and the CVSA can be used to analyze old tape recordings to solve **Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol-since 1999-32 CVSA's**, **Illinois State Police-2019-11**, **New Orleans P.D.-1996-29**, **Atlanta P.D.-2003-14**, **Nashville P.D.-2004-26**, **Kansas City P.D.-2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O.-1999-13**, **California Dept. of Justice -2022-19**, and the **US Federal Court's Div. of Probation -2010-15**. Most agencies have simply **discontinued the polygraph** as they no longer find a need for the older, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are **no known countermeasures** to cause "inconclusive" results. **The cost of the CVSA III with 2 investigators trained is about 1/6 the cost of the polygraph with 2 students trained.** The average CVSA exam time is approximately 1 hr. and the average exam time for the polygraph is 2 – 3 hrs.

***With 2 peer reviewed, published studies validating the accuracy of the CVSA, and over 3,000 LE users, isn't it time for your agency to acquire the best in truth verification technology?***

If you are planning to purchase or enroll in this course or, for more information on what is called ***"One of the most important investigative tools available today"*** call us toll-free **888-266-7263** or e-mail us at **NITVFS@cvsal.com**

***\*NITV Federal Services is the sole source of the patented CVSA\****

***Sales of the CVSA are restricted to Law Enforcement/Govt. Agencies***
