

Announces a  
**CERTIFIED EXAMINERS COURSE**  
HOSTED BY THE  
**Ft. Wayne Police Dept.**  
Ft. Wayne, IN

The **Ft. Wayne Police Dept.** purchased their first Computer Voice Stress Analyzer® (CVSA®) in **1993** and discontinued the polygraph. NITV Federal Services is pleased to announce that due to the tremendous success of the CVSA at the **Ft. Wayne Police Dept.**, they will be hosting another **Certified Examiners Course** to be held **Feb. 24-26, 2026**, to train additional detectives. Over **3,000** law enforcement agencies across the U.S (**289 in CA, 275 in OH, and 238 in MO**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as **Federal ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at **[www.CVSA1.com](http://www.CVSA1.com)**

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background Investigations** and the **CVSA can also analyze old taped interviews to solve Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-12, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, California Dept. of Justice - 2021-21, and the US Federal Courts Div. of Probation - 2010-15.**

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, **drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "inconclusive" results.** The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is **1/5** the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately **1 hour** – the polygraph is 2-3 hours.

**With 2 peer reviewed, published studies validating the accuracy of the CVSA, and over 3,000 LE users, isn't it time to acquire the 'Best in Class' truth verification technology?**
