

Announces a  
CERTIFIED EXAMINERS COURSE  
HOSTED BY THE  
**Orange Co. Sheriff's Office**

Orlando, FL

The **Orange Co. Sheriff's Office** purchased their first Computer Voice Stress Analyzer® (CVSA®) in **1997** and due to the tremendous success of the CVSA (**8 CVSA's**) at the **Orange Co. Sheriff's Office**, NITV Federal Services is pleased to announce that they will be hosting another **Certified Examiners Course** to be held **Feb. 10-12, 2026**, to train additional examiners. Over **3,000** law enforcement agencies across the U.S (**286 in CA, 274 in OH, 228 in MO, and 229 in FL**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as Federal **ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our Web site at **[www.CVSA1.com](http://www.CVSA1.com)**

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations, and the CVSA can be used to analyze old tape recordings to solve **Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol-since 1999-32 CVSA's**, **Illinois State Police-2019-11**, **New Orleans P.D.-1996-29**, **Atlanta P.D.-2003-14**, **Nashville P.D.-2004-26**, **Kansas City P.D.-2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O.-1999-13**, **California Dept. of Justice -2021-19**, and the **US Federal Courts Div. Probation-2010-15**. Most agencies have simply discontinued the polygraph as they no longer find a need for the old, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "*inconclusive*" results. The cost of the CVSA III with 2 investigators trained is about 1/6 the cost of the polygraph with 2 students trained. The average CVSA exam time is approximately 1 hr. and the average exam time for the polygraph is 2 – 3 hrs.

***With 2 peer reviewed, published studies validating the accuracy of the CVSA, and over 3,000 LE users, isn't it time for your agency to acquire the most advanced truth verification technology?***

If you are planning to purchase or enroll in this course or, for more information on what is called "*One of the most important investigative tools available today*" call us toll-free **888-266-7263** or e-mail us at **[NITVFS@cvsal.com](mailto:NITVFS@cvsal.com)**

***NITV Federal Services is the sole source of the CVSA – Sales of the CVSA are restricted to Law Enforcement***
