

FEDERAL SERVICES

Announces a

CERTIFIED EXAMINERS COURSE

HOSTED BY THE

Alberta Sheriff Police Service

Calgary, Alberta, Canada

NITV Federal Services is pleased to announce that the **Alberta Sheriff Police Service** has made the decision to staff their agency with the **Computer Voice Stress Analyzer® (CVSA®)**. They join the **Calgary Police Service** and over **3,000** law enforcement agencies that utilize the system. The **ASPS** will be hosting a **Certified Examiners Course** to be held **June 15-19, 2026**, to train additional examiners. Over **3,000** law enforcement agencies across the U.S and Canada (**292 in CA, 284 in OH, 237 in MO, and 239 in FL**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies, as well as Federal **Internet Crimes Against Children Task Forces (ICAC-15 CVSA's)**. ***Since this class is expected to fill quickly, we suggest that you reserve student slots early.*** Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the **CVSA can also analyze old taped interviews to solve Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-11, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, California Dept. of Justice - 2022-15, and the US Federal Courts Div. of Probation - 2010-15.**

The new CVSA III is **FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE**. Unlike the polygraph, **drugs and medical issues are not known to affect the results of the CVSA III** and there are **no known countermeasures** to cause **"inconclusive"** results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained, is **1/5 the cost of the polygraph with two students trained**. The average exam time for the CVSA is approximately **1 hour** – the polygraph is **2-3 hours**.

With 37 peer reviewed, published studies validating the accuracy of VSA, and 3,000 LE users, isn't it time for your agency to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called **"One of the most important investigative tools available today"** call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

****NITV Federal Services is the Sole Source of the Patented CVSA* The CVSA is Sold Only to Law Enforcement****
