

FEDERAL SERVICES

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
New Orleans Police Department
New Orleans, LA

The **New Orleans P.D.** has been utilizing the Computer Voice Stress Analyzer® (CVSA®) since **1995** and due to the tremendous success of the CVSA at the **New Orleans P.D.**, NITV Federal Services is pleased to announce that they will be hosting another **Certified Examiners Course** to be held **Dec. 12-16, 2022**, to train additional examiners. Approximately **2,600** law enforcement agencies across the U.S (**262 in CA, 246 in OH, 209 in FL, 211 in MO, and 184 in IN**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies as well as **ICAC Task Forces**. *Since our classes fill quickly, we suggest you reserve student slots early.* Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for Criminal and Background Investigations. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's**, **Illinois State Police - 2019-10**, **New Orleans P.D. - 1995-29**, **Atlanta P.D. - 2003-14**, **Nashville P.D. - 2004-26**, **Kansas City P.D. - 2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O. - 1999-13**, **California Dept. of Corrections and Rehabilitation - 2017-58**, and the **US Probation and Pretrial Services - 2010-15**. Most agencies have simply discontinued the polygraph as they no longer find a need for the older, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III is about 1/2 the cost of the polygraph and the average exam time is approximately 1 hr.

With 2 peer reviewed, published studies validating the accuracy of the CVSA, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called “*One of the most important investigative tools available today*” call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

*****NITV Federal Services is the sole source of the CVSA*****
*****The CVSA is Sold Only to Law Enforcement*****
