

FEDERAL SERVICES

Announces a

CERTIFIED EXAMINERS COURSE

HOSTED BY THE

Nashville Metropolitan P.D.

Nashville, TN

The **Nashville Metropolitan P.D.** purchased their first Computer Voice Stress Analyzer® (CVSA®) in **2004** and NITV Federal Services is pleased to announce that due to the tremendous success of the CVSA at the **N.M.P.D.**, they will be hosting another **Certified Examiners Course** to be held **Feb. 27- Mar. 3, 2023**, to train additional examiners. Approximately **2,800** law enforcement agencies across the U.S (**262 in CA, 248 in OH, and 211 in MO**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies and **ICAC Task Forces**. Since we expect this class to fill up quickly, we suggest you reserve student slots early. Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for Criminal and Background Investigations. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's**, **Illinois State Police - 2019-10**, **New Orleans P.D. - 1996-29**, **Atlanta P.D. - 2003-14**, **Nashville P.D. - 2004-26**, **Kansas City P.D. - 2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O. - 1999-13**, **California Dept. of Corrections and Rehabilitation - 2017-58**, and the **US Probation and Pre-trial Services - 2010-15**. Most agencies have simply disbanded their polygraph units as they no longer find a need for the older, more expensive and less accurate technology.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III is about 1/3 less than the polygraph and the average exam time is approximately 1 hour.

With 2 peer reviewed, published studies validating the CVSA, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called “**One of the most important investigative tools available today**” call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

****NITV Federal Services is the sole source of the CVSA – The CVSA is Sold Only to Law Enforcement****
