

FEDERAL SERVICES

Announces a  
**CERTIFIED EXAMINERS COURSE**  
HOSTED BY THE

# Nevada Attorney General's Office

Carson City, NV

The Nevada Attorney General's Office purchased their first Computer Voice Stress Analyzer® in 1997 and due to the tremendous success of the (CVSA®) Nevada AG's Office (8 CVSA's), NITV Federal Services is pleased to announce will be hosting another **Certified Examiners Course** to be held **July 10-14, 2023**, to train additional examiners. Approximately 2,800 law enforcement agencies across the U.S (269 in CA, 249 in OH, and 211 in MO) now rely on the CVSA for their truth verification needs, including local, state and federal agencies and **ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at [www.CVSA1.com](http://www.CVSA1.com)

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the CVSA can also analyze old taped interviews to solve **Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-10, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, California Dept. of Corrections and Rehabilitation - 2017-58, and the US Probation and Pre-trial Services - 2010-15.**

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "inconclusive" results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is 1/6 the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately 1 hour – the polygraph is 2-3 hours.

***With 2 peer reviewed, published studies validating the CVSA, isn't it time to acquire the latest in truth verification technology?***

If you are planning to purchase or enroll in this course or, for more information on what is called "***One of the most important investigative tools available today***" call us toll-free **888-266-7263** or e-mail us at [NITVFS@cvsa1.com](mailto:NITVFS@cvsa1.com)
