

FEDERAL SERVICES

Announces a

CERTIFIED EXAMINERS COURSE

HOSTED BY THE

Arkansas Attorney General's Office

Little Rock, AR

The **Arkansas Attorney General's Office** purchased their first Computer Voice Stress Analyzer® in **2015** and due to the tremendous success of the (CVSA®) **Arkansas AG's Office**, NITV Federal Services is pleased to announce will be hosting another **Certified Examiners Course** to be held **Mar. 20-24, 2023**, to train additional examiners. Nearly **3,000** law enforcement agencies across the U.S (**272 in CA, 262 in OH, 218 in MO, and 213 in FL**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies and **Federal ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at www.CVSA1.com

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the CVSA can also analyze old taped interviews to solve **Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-10, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, California Dept. of Corrections and Rehabilitation - 2017-58, and the US Federal Courts Div. of Probation - 2010-15.**

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause "inconclusive" results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is 1/6 the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately 1 hour – the polygraph is 2-3 hours.

With 2 peer reviewed, published studies validating the CVSA, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called "***One of the most important investigative tools available today***" call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

****NITV Federal Services is the Sole Source of the Patented CVSA****

****The CVSA is Sold Only to Law Enforcement****
