

FEDERAL SERVICES

Announces a
CERTIFIED EXAMINERS COURSE
HOSTED BY THE
Office of the Inspector General
Florida Department of Corrections
Tallahassee, FL

In 2019 the **Florida Dept. of Corrections** traded in their **8 Vipre VSA's** and purchased **10** Computer Voice Stress Analyzer's®. Due to the tremendous success of the **CVSA®** at the **Florida Department of Corrections Office of the Inspector General**, NITV Federal Services is pleased to announce will be hosting another **Certified Examiners Course** to be held **March 27-31, 2023**, to train additional examiners. Nearly **3,000** law enforcement agencies across the U.S (**275 in CA, 259 in OH, 221 in MO, and 215 in FL**) now rely on the **CVSA** for their truth verification needs, including local, state and federal agencies and **ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our website at www.CVSA1.com

The forward-thinking agencies that utilize the **CVSA** have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the **CVSA** can also analyze old taped interviews to solve **Cold Cases**. Most have utilized the **CVSA** for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-10, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigative and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, California Dept. of Corrections and Rehabilitation - 2017-58, and the US Probation and Pre-trial Services - 2010-15.**

The new **CVSA III** is **FAST, RELIABLE, COST-EFFECTIVE** and **EASY-TO-USE**. Unlike the polygraph, drugs and medical issues are not known to affect the results of the **CVSA III** and there are no known countermeasures to cause "inconclusive" results. The **CVSA III** gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the **CVSA III** with 2 detectives trained is 1/6 the cost of the polygraph with two students trained. The average exam time for the **CVSA** is approximately 1 hour – the polygraph is 2-3 hours.

With 2 independent, peer reviewed, published studies validating the CVSA, isn't it time to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called "**One of the most important investigative tools available today**" call us toll-free **888-266-7263** or e-mail us at NITVFS@cvsa1.com

NITV Federal Services is the Sole Source of the Patented CVSA - The CVSA is Sold Only to Law Enforcement
