

FEDERAL SERVICES

Announces a  
**CERTIFIED EXAMINERS COURSE**  
HOSTED BY THE  
**New Orleans Police Dept.**

New Orleans, LA

The **New Orleans P.D.** purchased their first Computer Voice Stress Analyzer® in **1995** and due to the tremendous success of the **(CVSA®) N.O.P.D. (29 CVSA's)**, NITV Federal Services is pleased to announce will be hosting another **Certified Examiners Course** to be held **Dec. 4-8, 2023**, to train additional examiners. Nearly **3,000** law enforcement agencies across the U.S (**275 in CA, 262 in OH, and 218 in MO**) now rely on the CVSA for their truth verification needs, including local, state and federal agencies and **ICAC Task Forces**. *Since we expect this class to fill up quickly, we suggest you reserve student slots early.* Visit our Website at **[www.CVSA1.com](http://www.CVSA1.com)**

The forward-thinking agencies that utilize the CVSA have found it to be a tremendous asset for **Criminal** and **Background** Investigations and the CVSA can also analyze old taped interviews to solve **Cold Cases**. Most have utilized the CVSA for **many** years and they include the **California Highway Patrol - since 1999-32 CVSA's**, **Illinois State Police - 2019-10**, **New Orleans P.D. - 1996-29**, **Atlanta P.D. - 2003-14**, **Nashville P.D. - 2004-26**, **Kansas City P.D. - 2018-5**, **Missouri Dept. of Public Safety - 1998-52**, **Florida Div. of Investigative and Forensic Services - 2003-12**, **San Diego Co. S.O. - 1999-13**, **California Dept. of Corrections and Rehabilitation - 2017-58**, and the **US Probation and Pre-trial Services - 2010-15**.

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are **no known countermeasures** to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its patented automatic scoring algorithm. The cost of the CVSA III with 2 detectives trained is 1/6 the cost of the polygraph with two students trained. The average exam time for the CVSA is approximately **1 hour** – the polygraph is 2-3 hours.

***With 2 peer reviewed, published studies validating the CVSA, isn't it time to acquire the latest in truth verification technology?***

If you are planning to purchase or enroll in this course or, for more information on what is called “***One of the most important investigative tools available today***” call us toll-free **888-266-7263** or e-mail us at **[NITVFS@cvsa1.com](mailto:NITVFS@cvsa1.com)**
