

FEDERAL SERVICES

Announces a
CERTIFIED EXAMINERS COURSE
In
Monterrey, Mexico

NITV Federal Services is pleased to announce that due to the tremendous success of the Computer Voice Stress Analyzer® (CVSA®) in **Mexico**, NFS will be conducting another **Certified Examiners Course** to be held **Oct. 23-27, 2023**. Currently nearly **3,000** law enforcement agencies across the U.S (**278 in CA, 265 in OH, and 218 in MO**) and many foreign government agencies now rely on the **CVSA** for their truth verification needs, including local, state and federal agencies, including **ICAC Task Forces**. *Since we expect this class to fill quickly, we suggest you reserve student slots early.* Visit our Web site at www.CVSA1.com

The forward-thinking agencies that utilize the **CVSA** have found it to be a tremendous asset for **Criminal and Background Investigations** and the **CVSA can also analyze old taped interviews to solve Cold Cases**. Most have utilized the CVSA for many years and they include the **California Highway Patrol - since 1999-32 CVSA's, Illinois State Police - 2019-10, New Orleans P.D. - 1996-29, Atlanta P.D. - 2003-14, Nashville P.D. - 2004-26, Kansas City P.D. - 2018-5, Missouri Dept. of Public Safety - 1998-52, Florida Div. of Investigation and Forensic Services - 2003-12, San Diego Co. S.O. - 1999-13, and the California Dept. of Corrections and Rehabilitation - 2017-58.**

The new CVSA III is FAST, RELIABLE, COST-EFFECTIVE and EASY-TO-USE. Unlike the polygraph, drugs and medical issues are not known to affect the results of the CVSA III and there are no known countermeasures to cause “inconclusive” results. The CVSA III gets to the truth and precisely identifies deception with its automatic, patented scoring algorithm. The cost of the CVSA III with two examiners trained is 1/6 the cost of the polygraph with two examiners trained. The average exam time for the CVSA is approximately 1 hour. The average polygraph exam time is 2-3 hrs.

With 2 published, peer reviewed studies validating the CVSA, and nearly 3,000 LE users, isn't it time for your agency to acquire the latest in truth verification technology?

If you are planning to purchase or enroll in this course or, for more information on what is called “*One of the most important investigative tools available today*”, visit CVSA1.com, call us toll-free **888-266-7263**, or e-mail us at NITVFS@cvsal.com

NITV Federal Services is the sole source of the patented CVSA
